Members of the “Menin bauryrm” project, on behalf of the President of the country, in 2024-2025, a volunteer project "Menin bauryrm" was launched in the capital on the initiative of two ministries – the Ministry of Education of the Republic of Kazakhstan and the Ministry of Science and Higher Education of the Republic of Kazakhstan. Our common task is to involve students in social and cultural projects, develop emotional intelligence, financial literacy, as well as advice on choosing a future profession. Student volunteers play an important role in this project.
